01 Q4

Halloween

The Thanksgiving special has a different plot centered on a meal. The pumpkin in the other title can make this an appealing mix-up.

02 Q5

Pretzel sticks

The official show description names them together with buttered toast. The children's improvisation makes the meal easy to picture.

03 Q11

Cream of mushroom

Milk thins the condensed soup. The published recipe combines both before the bean mixture goes into the oven.

A steaming basket or colander

The bulletin describes both options. Put the vegetable above the water and cover the pan so the steam cooks it.

Woodward Avenue

The parade company's history places bands and floats along Woodward. It is a Detroit tradition distinct from New York's procession.

Papier-mâché

Layers of paper form the heads. Marchers can wear these large painted characters, giving the parade a different look from a balloon procession.
