# Matching Answer Key

Host copy • Match each number to the player sheet before awarding points.

**01** Q3

## Carrots and celery

The line item groups two vegetables under one weight. It avoids treating a separate bag of each as the same purchase.

**02** Q5

## Boneless ham

The expanded list adds ham, russet potatoes, and green beans. The classic total and updated total consequently answer different questions.

**03** Q9

## Cranberry sauce

The cooperative started with one product. Its beverage line appeared later, so sauce and juice represent different stages.

**04** Q10

## Wisconsin

The dated timeline tracks an expanding growers' organization across regions. It does not suggest that cultivation began in those states that year.

**05** Q16

## 1981

The company's 2025 report looks back to that opening year. The current mix of contact channels developed after the service began.

**06** Q17

## English and Spanish

Naming both earns the point. The report also describes ways of reaching the team besides calling on the telephone.

**07** Q19

## Hudson's

The company sent buyers to Viareggio for figures crafted there. Later Detroit artists learned parts of the production process themselves.

**08** Q22

## In individual crates

The guide describes separate protective crates. The arrangement keeps finished figures intact until the next holiday outing.
