01 **December.**

Q3 Their landing and thanksgiving occurred on December 4. The modern November federal holiday follows a different calendar tradition.

02 **Town Brook.**

Q6 Some of the brook's water is diverted to drive the wheel. The stream and the building have different names.

03 **Corn.**

Q7 The turning stones reduce kernels to smaller pieces, so ground corn is an equally good answer.

04 **Fourteen feet.**

Q8 The measurement is its diameter, the distance through the center from one rim to the other.

05 **Bed and runner.**

Q9 One name describes the supporting stone and the other the moving one. Ask for both names for this point.

06 **Truro.**

Q12 The posted meeting point was at the end of High Head Road. This round follows an archived itinerary.

07 **Detroit.**

Q21 The local Thanksgiving parade and the New York parade are different productions. Give the city rather than a retailer.

08 **1924.**

Q22 The organizing foundation came later. Ask the scorer to reserve this date for the event itself.
